

# Heavenly Corsets Measuring Chart

<b>A</b>		Fulllest bust—measure at nipple level—for overbust corsets only
<b>B</b>		Underbust—measure directly under the underwire of your bra
<b>C</b>		Waist—usually your narrowest point, NOT around your navel, this is too low!
<b>D</b>		High Hip—measure 4” below your waist
<b>E</b>		Hip—after taking measurement G, measure around your hips at this level
<b>F</b>		Waist to underbust—measure up from your waist to your underbust
<b>G</b>		Waist to bottom of corset at side—meast from your waist down to where you wish the corset to sit at the side. NB! this cannot be longer than measurement H
<b>H</b>		Waist to bottom of corset centre front—measure from your waist to where you wish the corset to sit at the front—it is best to do this sitting in a straight-backed chair
<b>I</b>		Waist to top of corset at mid-front—this is for overbust corsets only
